

Where Will They Go? A Kingdom Answer for Rescued Children

Each day, we awaken to headlines that pierce our heart: **Children rescued. Evil exposed. Darkness driven out into the light.**

The FBI, ICE, HHS, and local task forces are doing incredible work—arresting traffickers, uncovering secret networks, and rescuing God's children from the most unthinkable horrors. These stories are both triumphant and tragic. We praise God for justice. We celebrate every rescue. **But one haunting question remains:**

Where will they go now?

Who is prepared to love them?

Who will help them heal?

The truth is—**no government system can fix what only the Holy Spirit can heal.** And unless the Body of Christ steps in, these rescued children may find themselves retraumatized by a broken foster care system... or worse, forgotten altogether.

A Kingdom Response to a Hellish Reality

Today, I am humbled and honored to introduce you to **Abundant Life Family Care**—a Christ-centered, Spirit-led, and radically generous solution to the foster care crisis and humanitarian disasters unfolding in our nation and around the world.

Our mission is clear: **Raise up 1,000 therapeutic Grace Homes in Utah by 2026**—homes led by Spirit-filled families, trained in trauma-informed care, filled with love, powered by the Holy Spirit, and rooted in the Gospel of Jesus Christ.

We are calling the Church to lead this movement—not from stages, but from **living rooms, kitchen tables, and prayer closets**. This is not about religion. This is about **the King and His Kingdom**.

What Makes Abundant Life Family Care Different?

- **It's Spirit-Led.** Every home is a sanctuary, discipling children and families into healing by the power of Grace and Truth.
- **It's Technologically Resilient.** We've built a censorship-proof Web 3.0 platform with decentralized governance and Christian alternatives to Big Tech, Big Bank, and Big Pharma—because persecution is real, and dependency on Babylon is no longer an option.
- **It's Prophetically Timed.** As evil increases and persecution rises, the Lord is gathering His remnant for the **End-Time Harvest**. ALFC is not just a project—it's a Kingdom battle

plan.

- **It's Powered by Radical Generosity.** 90% of all revenues go straight back into foster care, healing programs, refugee support, and community transformation. No games. No waste. Full transparency.

What We're Asking

We're not asking for applause. We're not asking for permission. We are asking for **obedience**—to Jesus' command to care for **widows and orphans**, to welcome **strangers**, and to **love one another deeply from the heart**.

"If you love Me, you will keep My commandments." *John 14:15*

So... will you read this business plan draft? Will you provide professional feedback? Will you and your wife pray about this?

Would you ask the Holy Spirit if the members of your church would:

- **Open their home** to a foster child, widow, or refugee family
- **Help fund a Grace Home**, a Grace Hub, or a Brother's Keeper community
- **Join the DAO** and use your skills to help build censorship-proof Christian systems
- **Share this vision** with other mature believers who are ready to act
- **Host an ALFC introduction night** at their home
- Or simply... **say yes** to Jesus, in whatever way He asks

Next Step: Read the Plan

Below, I've prepared a detailed, transparent, and Spirit-filled business plan—**not for investors**, but for **Kingdom stewards**. This plan is a blueprint for what we could be building together. I would like to see you lead it.

My wife Wendy and I began our marriage serving as therapeutic foster parents. Now, 34 years later, we are ready to finish strong—raising up 1 billion Grace Homes across the world by 2033. Utah is just the beginning. We can't do this alone. We believe God has called you for such a time as this.

With all our love and humble expectancy,

Craig & Wendy Rogers

A Comprehensive, Detailed Implementation Blueprint for Radical Kingdom Transformation in the Great Basin Region (GBR)

SECTION 1: EXECUTIVE SUMMARY & COMPREHENSIVE VISION

1.1 Introduction & Overview

Abundant Life Family Care (ALFC) is a groundbreaking Kingdom initiative strategically designed to solve urgent humanitarian, foster care, and shelter crises through Christ-centered therapeutic care, radical generosity, decentralized governance, and cutting-edge Web 3.0 technologies. Our explicit goal is to establish **1,000 fully licensed therapeutic Grace Homes** in Utah by December 31, 2026, scale nationally to 100,000 homes by 2030, and ultimately establish **1 billion Grace Homes worldwide by 2033**.

ALFC's purpose is more than humanitarian aid; it is comprehensive Kingdom stewardship and spiritual discipleship that prophetically prepares the Bride of Christ for Jesus' imminent return. Built upon the revolutionary KINGDOM Empowered Web 3.0 Ecosystem (DAO governance, blockchain, SAVE Coin, Super Wallet Bundle, BANK of GOODNESS, UTOO Community Builder), ALFC mobilizes communities, empowers families, and radically transforms foster care from institutionalized systems to vibrant, community-based therapeutic "Grace Homes."

1.2 Vision & Purpose (Explicit Detail)

ALFC's vision is founded explicitly on two key biblical mandates:

- **The Great Commission** (Matthew 28:18–20): To disciple the nations—beginning strategically within the Great Basin Region—and prepare the Bride of Christ spiritually, emotionally, economically, and physically.

- **Radical Generosity & Kingdom Stewardship** (Acts 2:44–45, Matthew 6:31–33): ALFC reinvests 90% of all revenue back into local community empowerment, entrepreneurial empowerment, therapeutic foster care, refugee support, wraparound clinical services, family advocacy, and radical discipleship, creating lasting Kingdom transformation.

Detailed Goals & Strategic Objectives:

- **Licensing & Launch:** License 1,000 Utah-based Grace Homes by the end of 2026, deploying complete therapeutic foster care, comprehensive wraparound clinical services, and emergency preparedness infrastructure.
 - **Regional Expansion:** Replicate Utah’s successful therapeutic foster care model into Idaho, Nevada, Wyoming, and additional western states by 2028.
 - **Nationwide Scalability:** Achieve 100,000 licensed Grace Homes nationwide by December 2030, establishing a national network of Christ-centered, decentralized therapeutic foster care communities.
 - **Global Implementation:** Deploy the ALFC Grace Home model internationally, achieving a global target of 1 billion Grace Homes by 2033.
-

1.3 Problem Statement & Strategic Solutions (Summary)

ALFC specifically addresses and solves urgent and complex humanitarian problems, including:

- **Foster Care Crisis:** Providing Christ-centered therapeutic, trauma-informed care, family-based stability, and wraparound services (mental health, education, healthcare, vocational support).
- **Immigration & Refugee Crisis:** Compassionate, Christ-centered care, emergency relocation, integration services, radical hospitality, and Safe Zones for displaced populations.
- **Homelessness, Poverty, and Addiction:** Creating intentional community-based care (Brother’s Keeper Projects, Tiny Homes), comprehensive addiction recovery services, employment training, and economic empowerment.
- **Societal & Spiritual Breakdown:** Radically discipling families, integrating biblical stewardship, Christ-centered governance, spiritual formation, and prophetic Kingdom discipleship throughout therapeutic foster care operations.

1.4 Financial Overview & Radical Stewardship Model (Brief Summary)

ALFC is sustained through diversified revenue streams, including foster placement fees, Web 3.0 App subscriptions, DAO tokenization (SAVE Coin), grants, and radical generosity partnerships. Projected annual revenues by the end of 2027 exceed \$135 million. Through blockchain transparency and decentralized governance, 90% of revenue is reinvested into community-based investments, comprehensive therapeutic care, community services, emergency preparedness, and Kingdom initiatives. Detailed financial projections, budgets, and operational costs follow in subsequent sections.

1.5 Technological Infrastructure & Innovation (Overview)

ALFC utilizes cutting-edge Web 3.0 technology, AI-powered placement matching, DAO governance, blockchain financial transparency, and advanced community empowerment tools (Super Wallet, BANK of GOODNESS, UTOO Community Builder). This comprehensive technology suite ensures scalable deployment, operational excellence, auditable accountability, and radical generosity stewardship across ALFC's entire foster care ecosystem.

1.6 Organizational Structure & DAO Governance (Summary)

ALFC's organizational structure includes clearly defined staffing ratios, executive leadership, clinical oversight, therapeutic specialists, Grace Home operations teams, and comprehensive wraparound services providers. Governance operates through a decentralized autonomous organization (DAO), empowering community-driven decision-making, transparency, and radical generosity stewardship.

1.7 Strategic Community Impact (Summary)

ALFC radically transforms foster care, community services, refugee integration, addiction recovery, emergency preparedness, economic empowerment, and spiritual discipleship. The Great Basin Region strategically serves as a prophetic refuge, demonstrating Kingdom impact, economic stability, social restoration, and spiritual awakening.

1.8 End-Time Harvest & Prophetic Significance (Summary)

ALFC prophetically fulfills the biblical End-Time Harvest, equipping believers and communities practically, spiritually, and economically for Christ's imminent return (Harpazo) and Millennial Kingdom reign. ALFC's comprehensive approach ensures strategic preparedness, radical discipleship, and Kingdom stewardship throughout unprecedented global crises.

1.9 Call to Radical Kingdom Action (Summary)

ALFC urgently invites evangelical churches, believers, Kingdom investors, local ministries, community leaders, and Great Basin residents to actively participate in the prophetic End-Time Harvest. Opportunities include becoming licensed Grace Homes, funding therapeutic care, contributing radical generosity, serving as DAO ambassadors, and engaging actively in Kingdom stewardship.

Section 2: Comprehensive Problem Statement and Detailed Strategic Solutions

2.1 Comprehensive Problem Statement

Our society currently faces an interconnected and escalating crisis, encompassing foster care failures, immigration disasters, homelessness, addiction epidemics, poverty, economic instability, religious persecution, censorship, and unprecedented attacks on biblical values. These interconnected crises demand immediate, radical, and comprehensive Kingdom solutions. The following outlines key problems faced by communities and individuals—specifically within the Great Basin Region—that ALFC strategically addresses:

2.1.1 Foster Care System Collapse

The current centralized foster care system is fundamentally broken. Thousands of children remain trapped in overcrowded shelters, institutional care, or unstable foster placements. Many are subjected to severe emotional, psychological, and physical trauma, lacking consistent, therapeutic family-based care. Conventional systems are overwhelmed, inefficient, and fail to provide adequate wraparound services, therapeutic support, and emotional healing.

2.1.2 Immigration and Refugee Crisis

Massive global instability, persecution, wars, and disasters have displaced millions worldwide. Refugees, including legal and illegal immigrants, face severe trauma, exploitation, human trafficking, and systemic neglect. Existing humanitarian infrastructures are insufficient and

overwhelmed, failing to provide compassionate, integrated care, safety, and sanctuary for refugees, vulnerable populations, and displaced communities.

2.1.3 Homelessness and Poverty Epidemic

Homelessness has become epidemic, exacerbated by economic instability, poverty, addiction, mental illness, and natural disasters. Conventional shelters and social service systems are severely strained, unable to provide sustainable, therapeutic solutions. Without stable housing, comprehensive mental health care, and economic empowerment, many remain trapped in cycles of poverty, trauma, and addiction.

2.1.4 Addiction and Mental Health Crisis

The addiction epidemic has devastated countless lives and communities, driven by substance abuse, lack of comprehensive recovery support, insufficient mental health services, and systemic stigma. Existing resources often lack spiritual integration, community-based support, and effective holistic care necessary for lasting recovery.

2.1.5 Religious Deception, Persecution, and Censorship

Christians increasingly face censorship, religious persecution, and attacks on biblical values. Major platforms (Google, Apple, Facebook, YouTube, X, LinkedIn) frequently de-platform believers, silence biblical truth, and censor Christian content. Additionally, deceptive religious systems (such as the LDS/Mormon religious structure) spiritually oppress millions, creating urgent spiritual and discipleship crises—especially pronounced within the Great Basin Region.

2.1.6 Economic Instability and Dependency

Christian communities increasingly rely on secular institutions—banks, tech companies, food supply chains, healthcare, energy providers—that can censor or persecute biblical values and beliefs. Without independent, self-sustaining infrastructure, believers face significant threats to economic and personal freedoms, including the ultimate risk of coercion into accepting the "Mark of the Beast" prophesied in Revelation (Rev. 13:16-18).

2.2 Detailed Strategic Solutions Offered by ALFC

Abundant Life Family Care (ALFC) explicitly addresses these interconnected problems through a comprehensive, integrated ecosystem of radical generosity, Christ-centered therapeutic foster care, decentralized governance (DAO), advanced Web 3.0 technology, and self-sustaining community infrastructure—providing a resilient Christian alternative to centralized systems.

2.2.1 Revolutionary Therapeutic Foster Care: Grace Homes and Hubs

ALFC transforms foster care through decentralized therapeutic homes (Grace Homes), trauma-informed therapeutic support (TBRI), and comprehensive community-based wraparound services. Each foster child and family receives personalized mental health care, addiction recovery support, educational services, vocational training, and Christ-centered discipleship, radically addressing systemic foster care failures.

2.2.2 Strategic Refugee and Immigration Sanctuary: SAFE Zones and Brother's Keeper Communities

ALFC creates intentional, Christ-centered SAFE Zones and Brother's Keeper Communities providing emergency relocation, comprehensive wraparound services, therapeutic care, economic empowerment, spiritual integration, and radical hospitality to refugees, persecuted believers, displaced populations, and vulnerable communities.

2.2.3 Intentional Homelessness, Addiction, and Poverty Solutions: Tiny Homes and Recovery Sanctuaries

ALFC develops self-sustaining Tiny Home sanctuaries, recovery campuses, and Brother's Keeper communities explicitly designed to provide stable housing, comprehensive addiction treatment, mental health care, job placement, economic empowerment, and radical community integration.

2.2.4 Decentralized, Radical Generosity Financial Stewardship: KE DAO and SAVE Coin Economy

Through ALFC's Web 3.0 platform, blockchain transparency, DAO governance, and SAVE Coin tokenization, ALFC decentralizes financial stewardship, economic empowerment, and community-driven radical generosity, ensuring resources directly support community services, therapeutic care, emergency preparedness, and local Kingdom initiatives.

2.2.5 Christian Alternative to Secular Infrastructure

ALFC strategically creates self-sustaining Christian infrastructure, explicitly designed to replace dependency on secular institutions vulnerable to censorship, persecution, or anti-Christian agendas:

- **BANK of GOODNESS:** Decentralized, blockchain-based Christian banking and asset management system providing transparent, accountable stewardship.
- **Super Wallet:** Secured Data Vault (medical, financial, educational), economic empowerment, data monetization, and secure banking alternative for Christian communities.

- **UTOO Community Builder:** Decentralized, censorship-resistant content management, social media, professional networking, and economic monetization platform—a Christian alternative to Facebook, LinkedIn, and X.
- **Christian Media Platforms:** Decentralized alternatives to YouTube, Apple, and Google, ensuring believers freely produce, distribute, and monetize content without censorship.
- **Independent Community Infrastructure:** ALFC invests in self-sustaining energy, power, food supply, healthcare, education, and emergency preparedness systems, creating robust Christian community resilience against persecution or dependency on centralized institutions.

2.2.6 Kingdom Discipleship and End-Time Preparedness

ALFC prophetically equips communities through advanced discipleship programs ("THE Grace Awakening," "Training for Reigning"), radical generosity and stewardship, and Kingdom-focused leadership training, explicitly preparing believers spiritually, emotionally, economically, and physically for Christ's imminent return (Harpazo) and Millennial Kingdom reign.

2.3 Comprehensive Problem-Solution Matching Chart

Problem Area	Strategic ALFC Solutions
Foster Care System Collapse	Grace Homes, TBRI therapeutic care, comprehensive wraparound
Immigration & Refugee Crisis	SAFE Zones, Brother's Keeper Communities, emergency relocation
Homelessness, Addiction, Poverty	Tiny Homes, therapeutic recovery sanctuaries, economic empowerment
Religious Deception & Censorship	Decentralized Christian media platforms, UTOO, censorship-resistant DAO
Economic Instability & Dependency	BANK of GOODNESS, SAVE Coin, Christian banking, independent community infrastructure
Spiritual Breakdown & End-Time Harvest	Advanced discipleship, "THE Grace Awakening," Kingdom preparedness training

2.4 Expected Comprehensive Impact on the Great Basin Region

- **Transformative Community Restoration:** Reduction of foster care crisis, homelessness, addiction, poverty, and unemployment through radical generosity and therapeutic solutions.
- **Strategic Emergency Preparedness:** Robust infrastructure and emergency relocation plans providing safety, security, and self-sustaining communities for refugees and vulnerable populations.
- **Christian Economic Empowerment:** Establishing self-sufficient Christian alternatives to secular institutions (banking, energy, media, healthcare, education), ensuring economic resilience, sustainability, and freedom from persecution or censorship.
- **Prophetic Spiritual Awakening:** Comprehensive discipleship, radical generosity, and prophetic Kingdom stewardship creating spiritual revival, unity, and Kingdom readiness throughout the Great Basin Region.
- **End-Time Harvest and Kingdom Fulfillment:** Millions reached, discipled, and equipped for the imminent return of Christ, profoundly transforming spiritual, emotional, physical, and economic well-being of entire communities.

ALFC's detailed solutions, strategic infrastructure, and Kingdom vision create an unmatched, self-sustaining Christian alternative ecosystem—directly solving urgent societal problems, empowering communities, and prophetically preparing believers and the Great Basin Region for the End-Time Harvest, Christ's imminent return, and His Millennial Kingdom.

Together, let's radically redefine refugee care, provide Christ-centered community integration, and strategically fulfill the prophetic End-Time Harvest.

Section 9: Comprehensive End-Time Harvest Strategy and Kingdom Impact Blueprint

9.1 Prophetic Framework: Why Now?

The Bible prophesies a climactic moment in human history when the Gospel will be preached to all nations before the return of Jesus Christ (Matthew 24:14). Scripture refers to this as the **"End-Time Harvest"**—a massive spiritual awakening, a reaping of souls from every tribe, tongue, and nation. As evil intensifies and deception increases (2 Timothy 3:1–5), God promises an even **greater outpouring of His Grace and Spirit** to empower His Church for bold witness, sacrificial service, and Kingdom expansion (Acts 2:17; Joel 2:28–29).

We are now living in that prophetic hour. This is **our generation's harvest**, and Abundant Life Family Care (ALFC) sits **strategically and supernaturally** at the center of this end-time mission.

9.2 The Urgency: The World Is Ripe for Harvest

Wars. Refugees. Trafficking. Homelessness. Addiction. Religious persecution. Economic collapse. Natural disasters. Spiritual darkness.

These global crises are not just news headlines—they are **prophetic signs**. Humanity is groaning (Romans 8:22), and people are desperate for hope, healing, and truth. As political systems crumble and institutional religion fails, the Body of Christ is being called to rise up and fulfill its purpose.

“Do you not say, ‘There are yet four months, and then comes the harvest’? Behold, I say to you, lift up your eyes and look on the fields, that they are white for harvest.”
— **John 4:35**

The Great Basin Region—Utah, Idaho, and Nevada—will play a unique role. Once dominated by false religion and institutional idolatry, it will become a **refuge zone, a healing wellspring**, and a hub of **Kingdom harvest activity** as millions awaken to the truth of Jesus Christ.

9.3 ALFC’s Divine Role in the End-Time Harvest

Abundant Life Family Care is not a foster care agency. It is a Holy Spirit-led **Kingdom infrastructure platform** designed to prepare the Bride of Christ for the return of the King.

ALFC is perfectly positioned to:

- **Rescue the rejected**, broken, and displaced from society and religion alike
- **Disciple the next generation** of spiritual warriors, not in pulpits, but in homes
- **Equip Christian families** to multiply disciples using their homes as altars
- **Create safe zones** to harbor the persecuted and prepare the remnant
- **Mobilize Christians** out of apathy and into Spirit-led action through radical hospitality and Gospel generosity
- **Establish sustainable, self-governing DAO-based Grace Communities** globally

“The harvest is plentiful, but the workers are few. Therefore, beseech the Lord of the harvest to send out workers into His harvest.” **Luke 10:2**

9.4 How the Great Basin Region Will Lead

The **Great Basin Region** (GBR) will serve as the **blueprint and pilot** for the greatest harvest movement in Church history:

- **1,000 licensed Grace Homes by the end of 2026**, each discipling the broken, lonely, addicted, abused, trafficked, and abandoned
- **100 Brother’s Keeper Sustainable Communities** (by 2030) that provide full care, healing, and Kingdom stewardship for refugees and foster families
- **Launch of the KINGDOM Empowered Super Wallet**, SAVE Coin economy, and DAO governance to fund, disciple, and mobilize
- **Training of the First 12,000 Foot-Washing Evangelists**, sent out by 2030 into homes, prisons, schools, and refugee zones

The Great Basion Region (GBR) will become a **spiritual model “nation,”** demonstrating what it means to live as the true Bride of Christ, burning with love, committed to the Gospel, and radically generous in all things.

9.5 Outcomes of the End-Time Harvest via ALFC

ALFC expects the following **Kingdom results** as the End-Time Harvest unfolds:

Prophetic Goal	Practical Outcome
Disciples of Jesus multiplied	Every Grace Home becomes a micro-church and discipleship hub
Global revival ignited from the GBR	Refugees, immigrants, and outcasts become missionaries
Religious deception overthrown	False systems (LDS, Multisite CEO Churches) lose power

Children raised in the Truth

Therapeutic care becomes discipleship in action

Stewardship replaces
consumerism

SAVE Coin economy promotes eternal rewards over
temporal riches

The Church awakens from
slumber

The Bride prepares with oil-filled lamps for the Bridegroom

The Gospel preached to the
unreached

Through homes, not platforms—quiet obedience, not loud
performance

9.6 Why You Must Act Now

The window is short. The laborers are few. The distractions are many.

“But the one who endures to the end, he will be saved. This Gospel of the Kingdom shall be preached in the whole world as a testimony to all the nations, and then the end will come.” **Matthew 24:13–14**

If you're reading this, it's because God is calling you to join this harvest. You are either:

- **A Grace Home waiting to be licensed**
 - **A Brother's Keeper Builder with land to offer**
 - **A digital builder ready to join KINGDOM Empowered's DAO**
 - **A radical giver with five talents ready to be multiplied**
 - **A truth-teller called to disciple the forgotten**
 - **A leader chosen to build a refuge for what is to come**
-

9.8 Final Words for the Remnant

If you've prayed for revival, the answer is in your hands.

If you've asked, "What can I do?"—this is your moment.

If you've said, "Here I am, Lord. Send me."—this is your sending.

The end-time harvest is here. ALFC is the sickle in God's hand. Will you be the hand that swings it?

"And He who sits on the cloud swung His sickle over the earth, and the earth was reaped." **Revelation 14:16 NASB1995**

And we are doing it through **Abundant Life Family Care**.

Let's go.

The harvest is ready.

The Bride is being awakened.
